**Re: Angeles Chemical Co., Inc.'s Responses to the EPA's November 1, 2007 104(e)
Request for Information- Omega Superfund Site, Whittier, CA**

This is Angeles Chemical Co., Inc.'s ("Angeles") response to the United State's Environmental Protection Agency's ("US EPA") November 1, 2007 104(e) Request for Information regarding the Omega Superfund Site, Whittier, CA.

Confidentiality

Angeles objects to the US EPA's 104(e) request as it requests confidential financial information in Questions 2(a) and 2(b) below. Angeles requests that the confidential information contained within Attachments A and B included with this letter be permanently held as confidential documents. Angeles's confidential documents have not been disclosed to any unauthorized third-party entities. Angeles's confidential documents have not been obtainable by legitimate means without Angeles's consent.

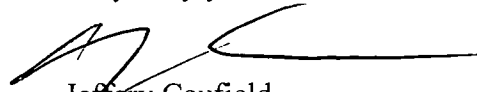

Enclosure B: Questions

CBI Determined

If you need any additional information and or have questions regarding the response please let us know and we will respond accordingly. Thank you for your time.

Very truly yours,

A handwritten signature in black ink, appearing to read 'JC' followed by a long horizontal stroke.
